

## ENCORE WHITE 2016

While the literal definition of TIME may be elusive, it is an observed phenomenon which allows us to honour key moments in our shared journey through life. With 50 years of experience in the South Okanagan, the winemaking team knows that our unique terroir can offer the right wine to celebrate any occasion. Enjoy this TIME together. All wines are made under the direction of Lawrence Buhler, director of winemaking.

### THE WINERY

Built within a revitalized historic theatre in downtown Penticton, the heart of South Okanagan wine country, the new TIME Winery opens in 2018.

TIME Winery is committed to creating wines that express the unique flavours of Okanagan wine country. Director of winemaking Lawrence Buhler has worked closely with the TIME Winery team to ensure that the new crush pad, barrel cellar, custom fermentation hall, and onsite lab were built to his exact specifications, ensuring only the best quality wine, vintage after vintage.

The winemaking team invites you to visit TIME Winery for a firsthand tour and sip the latest vintages, which offer flavours of the surrounding Okanagan wine country, while you explore the inner workings of a fully-functional winery. Complete the experience at the tasting bar and lounge, or with your guests on the patio. TIME Winery's full kitchen and event space provide a unique venue for your next public or private event.
